WHAT ARE ARONIA BERRIES?

Regarded by Native Americans as the “magic berry,” they used Aronia Berries for medicinal remedies. Nature’s true “SUPER FRUIT” is an antioxidant powerhouse that exhibits more free-radical fighting ability than any other fruit including blueberry, acai berry and even elderberry.

Aronia Berry - A Functional Super Food!

Measure of Antioxidant Activity and Polyphenols

Comparison of Antioxidant Capacity of Various Berries (ORAC)

Research shows the abundant compounds found in Aronia berries help support overall health and well-being.

The most plentiful source of polyphenols, which is why we pack 25+ Aronia berries into each serving of our Gut Bar products.

ARONIA contains an incredible number of Antioxidants (over 400 natural compounds)

- #1 in anthocyanins - 4X more than in blueberries
- #1 in quercetins - 3.5X more than in strawberries
- #1 in catechins - up to 60% more than in green tea
- #1 in free caffeic acid - >100x more than in coffee, apple sauce, or apricots
- #1 in stilbene
- #1 in resveratrol - 4x more than in red wine and 20x more than in cacao

Which is why Aronia berries and Gut Bar Products are so good for Gut Health *and* Overall Health.
